

King Hit

* Photo Includes
Optional Plug-In Jigs

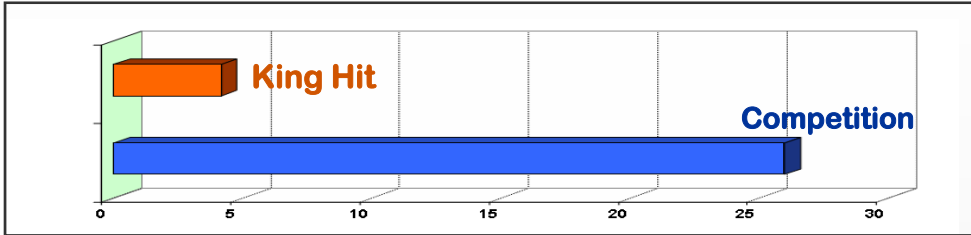

World's Fastest HDD Duplicator

The King Hit is the world's leading hard drive duplicator for high volume industrial applications. It includes a number of features for industrial duplication that are unmatched in the industry, including Data-Only Copy for any file system type*

*Competitors limited to FAT and NTFS file systems for data-only copy

Reduce Time & Costs

Reduce Copy Time By Ignoring Empty Disk Space

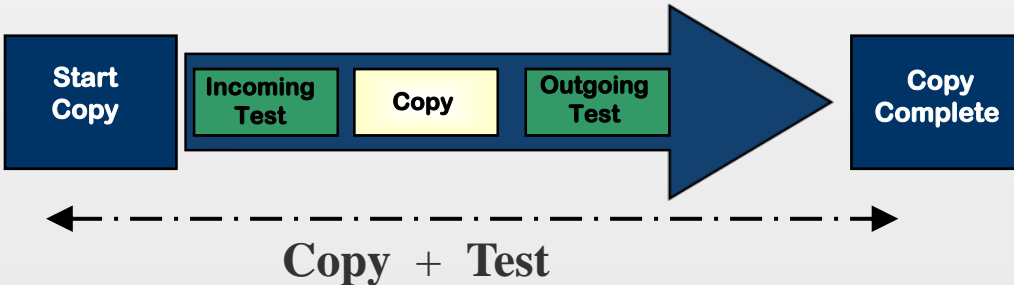

Automatically marks used disk space*.
Copies at 13-30 seconds per GB (2~4 GB/min) for used space and
1~2 seconds per GB for FREE space.

Example uses *Seagate 80GB ATA100 HDD: ST380011A with 65GB free
space on Linux OS.

=The World's Only Duplicator With Data-Only Copy for Any File System=

Improve Quality

Test Every Copied Hard Drive For Quality Assurance

Automatically performs HDD incoming and outgoing inspection
during duplication to ensure integrity of duplicated disks

Features:

- ❖ **SATA / ATA / SCSI***
SATA I/II: 3.5"-2.5"
ATA/IDE: 3.5"-2.5"-1.8"-1.0"- 0.85"
SCSI: Narrow, Wide, SCA)
-- Any Brand, Any Model --
- ❖ **Fast Speed**
2~4 GB/min transfer rate. Fastest
speed in industry, guaranteed.
- ❖ **Multi-Unit Networking**
Up to 5 units for 1-to-29 copy
with no speed loss or delays.
- ❖ **Secured Data Erase**
DoD, NSA, Low-Level Format, etc
- ❖ **Easy LCD Status Display**
Stand-alone or PC Controlled
operation. Easy user interface.
- ❖ **Reporting System**
Automatic Log File creation for
data management and certification.

Auto Loaders

*Optional

Advantages For Industrial Users

- **Fast: Connect & Disconnect HDD within seconds**
- **Alleviate wear on connector pins**
- **Maintain a neat and efficient work environment**
- **Available for ATA 3.5" - 2.5" - 1.8", SATA 3.5" - 2.5"- 1.8" and SCSI Wide/Narrow/SCA**

Networking

For High Output Applications

- **1:29 max duplication**
- **Network up to 5 units at once (no speed loss)**
- **Ideal for heavy industrial applications**
- **No speed loss during data transfer**
- **Adjustable output for flexibility**

Host Software and Reporting System (standard with purchase)

YEC Host Software allows the user to remotely manage every HDD port while automatically generating Log Files for each copied hard drive.

Specifications	
Model	King HIT-A/AS
Interface	ATA(EIDE), SATA, SCSI* * SCSI with AS model only
# of connectable HD	1:5 or link up to 5 units for 1:29
Power (Energy Consumption)	AC90~240V±20 50/60Hz
Dimensions	W380 x D285 x H175(mm)
Weight	14 lb (6.5kg)
